Business

- Farmers Market – Discussed giveaways for the next Farmers Market. Decided on pens. Kanella and Carol are going to look into them. Planning to order 500. Need to decide on message to be printed on them.
- Heart Walk 6/18/2011 – Butch and Susie will be in the Survivors Tent teaching CPR Anytime. Set up has to be complete by 8:00 AM. AHA is having a band (Flipside) play after the walk to encourage people to stay after. Terry will send out an email to see who else will be available to help. Need to find someone to get the booth equipment from Kelly.
